

Highway 16 Resurfacing in The Battlefords

DESCRIPTION

The Ministry of Highways is resurfacing approximately 8 km on Highway 16 near The Battlefords. The project also includes resurfacing on various auxiliary roads and interchange ramps. Work on the south side of the North Saskatchewan River was completed in 2023. Work on the north side of the North Saskatchewan River in North Battlefords is being completed in Spring 2024. The estimated cost of this project is \$6.5 million.

Estimated start: Week of May 7, 2024
Estimated completion: Early June 2024

TRAFFIC ACCOMMODATION

You can expect minor delays and disruptions along Highway 16. Traffic will be reduced down to one lane through the work zone. When construction occurs through intersections, detours will be in place. Traffic may be stopped for no longer than 20 minutes.

Information about traffic accommodation throughout the project will be available on Highway Hotline.
