

FIRE BAN IN EFFECT

EFFECTIVE 9:00 AM ON MAY 4TH, 2026

Due to increasingly dry conditions and elevated fire risk, the following restrictions apply:

**NO OPEN BURNING
PERMITTED**

**NO BURN PERMITS
WILL BE ISSUED**

**BURN BARRELS ARE ALLOWED
ONLY IF THEY ARE COVERED**

**PROPER INCINERATORS
ARE ALLOWED**

These measures are being put in place to help reduce the risk of fires getting out of control and to keep our community safe.

We will continue to monitor conditions closely. With cooler temperatures expected, this ban may be lifted as soon as it is safe to do so.

**WE APPRECIATE EVERYONE'S COOPERATION—
PLEASE DO YOUR PART TO PREVENT WILDFIRES.**
